DE VAKSTUDIE - THE DUTCH CARIBBEAN ENCYCLOPEDIA

In the Netherlands, many tax professionals turn to “De Vakstudie”, when it comes to looking up case law and literature on tax matters. De Vakstudie, by Wolters Kluwer, is a very extensive encyclopedia, divided into 16 different chapters. Chapter 16, the last part, but certainly not the least, contains information about Caribbean Tax Law. There is legal history, but also recent case law, commented on by a team of authors, all tax professionals who have earned their spurs in Caribbean tax law.
